

# Half Life Crisis

**Jim O'Rourke**

I know you think the sun is shining  
And I hate to let you down, so  
I just abuse what you had  
Cause you don't wanna admit  
You're not a star once beforeIf you think your glass is half full  
Might be best for you to take off now  
Cause the half that remains  
Is little more than a stain  
That sticks to you like a shroud(???)Now the (???) are wondering  
How it looks to somebody (???)  
It's never occurred to you before  
And a little late to bring it upIf you stop to think about it  
Might be time to cash in your chips, cause  
You can tell from your face that your a charity case  
And your debt is pilin' up(???)It's easy when you were floating  
Above everybody for years  
You can't breathe in that air  
If there's nobody there  
To gaze at you from below(???)
