Heroin

The Velvet Underground

I don't know just where I'm going
But I'm gonna try for the kingdom, if I can
'Cause it makes me feel like I'm a man
When I put a spike into my vein
And I tell you things aren't quite the sameWhen I'm rushing on my run
And I feel just like Jesus' son
And I guess that I just don't know
And I guess that I just don't knowI have made big decision
I'm gonna try to nullify my life
'Cause when the blood begins to flow
When it shoots up the dropper's neck
When I'm closing in on deathYou can't help me now, you guys
And all you sweet girls with all your sweet talk
You can all go take a walk
And I guess I just don't know
And I guess that I just don't knowI wish that I was born a thousand years ago
I wish that I'd sailed the darkened seas
On a great big clipper ship
Going from this land here to that
In a sailor's suit and capAway from the big city
Where a man cannot be free
Of all the evils of this town
And of himself and those around
Oh, and I guess that I just don't know
Oh, and I guess that I just don't knowHeroin, be the death of me
Heroin, it's my wife and it's my life
Because a mainline into my vein
Leads to a center in my head
And then I'm better off than deadBecause when the smack begins to flow
I really don't care anymore
About all the Jim-Jims in this town
And all the politicians making crazy sounds
And everybody putting everybody else down
And all the dead bodies piled up in mounds'Cause when the smack begins to flow
And I really don't care anymore
Ah, when that heroin is in my blood
And that blood is in my head
Then thank God that I'm as good as dead
And thank your God that I'm not aware

And thank God that I just don't care
And I guess I just don't know
Oh, and I guess I just don't know
