

Go Ahead

Red Sun Project

Yeah, I met this shorty last night right, real rap
And you know she looked like she was with her man
 And you know I ask, you with your man
 She was like, nah that's my friend, oh okay
 So that was my cue, ayo, Fab, aye, Khaled
 Shorty wanna give me the go ahead
 That I'ma stay even when I need to go ahead
 And if I feel somethin' I'ma try
Figured you winked at me not just somethin' in your eye
 See shawty, you ain't got to tell me what I know
 That was E40 who said tell me when to go
I know I got the green light and y'all get the red light
 So if the head right I'll be there every night
 Every night like a playoff game
 You hard workin' haters take a day off, man
 We the what? We the best, that's so true
 When I walk in this bitch, baby that's your cue
I know you see me starin' girl, I see you lookin' at me
Go find and it's apparent girl you feelin' luck in the street
 Girl tell me what's on your mind, let me know
 Girl give me the go, give me the go ahead
 What's on your mind, let me know
 Girl give me the go, give me the go ahead
 It's the boss, you know we global
 DJ Khaled, Flo-Rida, ya know how it is
Baby you need international phone call to call me
 It's global right here
I need bitch who motivated and know multiplication
 It's serve collect calls 'cause I got multiple cases
 Let it be house yea, the comfortable places
 Married to the game on a prenuptial basis
 Khaled, he the best in the game when he break it
 She the baddest in the club and I'm willin' to take it
 We got a lot 'o dollars, gotta be willin' to make it
 And if you wanna baby, might just be willin' to taste it
 Boss, I'm thuggin' and she lovin' it
 Gotta have protect one, sippin' on that bubbly
 It's hard not to notice me, we known globally

He's sittin' on the top of the world just so comfortably

I know you see me starin' girl, I see you lookin' at me
Go find and it's apparent girl you feelin' luck in the street

Girl tell me what's on your mind, let me know

Girl give me the go, give me the go ahead

What's on your mind, let me know

Girl give me the go, give me the go ahead

Hey, let me get the okay shawty, what's on your brain?

I wanna know I see you lookin', I been peepin' your game

I get a rhythm, see me jookin' T, teach you a thang

Or two, I'm in the dang zip, you wanna come entertain me boo?

We can do that, there, just gimme the go

Been a playa unprepared, everybody grown folks

'Round here, them gold bottles hold them up

Then we can say cheers, let's take a toast

No wheat or white bread in my Pilsbury dough

Just give me the right head with the letters G O

All eyes on you like your momma, lame as a video

Imagine you and other kitties strollin' all over the city

I know you see me starin' girl, I see you lookin' at me

Go find and it's apparent girl you feelin' luck in the street

Crack, how hot is hot?

She on fire baby, burn the block

I even taught her how to turn to pot

You cool it off, and it come back rock crack

Yes, I am him

Pull strings like a violin

Then I cross over like I'm Iverson

To Z100 out to Ireland

White chicks is standin' on line

Black chicks is standin' on line

Don't discriminate, I disintegrate

So much cake, maybe we can get away

I know you see me starin' girl, I see you lookin' at me

Go find and it's apparent girl you feelin' luck in the street

Girl tell me what's on your mind, let me know

Girl give me the go, give me the go ahead

What's on your mind, let me know

Girl give me the go, give me the go ahead
