

# To the Beat of a Heart

## Allure of Souls

To: The Beat Of A Heart

La rage au coeur  
La rage au coeur  
La rage au coeur  
La rage au coeur

Iâ€™ve been waiting for this  
Promises spoken  
Sealed with a kiss  
Naked next to your skin  
How did you know  
That I would let you in?

Oh, youâ€™re in my blood  
Youâ€™re in my soul

I fall apart, we come together  
Dance with me to the beat of a heart  
Take a ride on a train to forever  
Dance with me to the beat of a heart  
To the beat of a heart

You play a dangerous game  
You want it all  
The sacred and the profane  
Draw me deep Into your eyes  
The meaning is clear, what do I sacrifice?

Youâ€™re in my blood  
Youâ€™re in my soul

I fall apart, we come together  
Dance with me to the beat of a heart  
Take a ride on a train to forever  
Dance with me to the beat of a heart

Through the pain, through the sorrow  
Dance with me to the beat of a heart  
Through the night with no tomorrow

Dance with me to the beat of a heart  
Oh, to the beat of a heart

Black on black, shadow white  
Bathe the night in candle light  
More than love, more than sex  
Iâ€™m readyâ€¦whatâ€™s next?

I fall apart, we come together  
Dance with me to the beat of a heart  
Take a ride on the train to forever  
Dance with me to the beat of a heart

Through the pain, through the sorrow  
Dance with me to the beat of a heart  
Through the night with no tomorrow  
Dance with me to the beat of a heart  
To the beat, to the beat of a heart

To the beat of a heart  
To the beat of a heart  
To the beat of a heart  
To the beat of a heart
