

Breathe (feat. Colbie Caillat)

Taylor Swift

I see your face in my mind as I drive away,
Cause none of us thought it was gonna end that way.
People are people, and sometimes we change our minds.
But it's killing me to see you go after all this time.

Mmm mmm mmm
Mmm mmm mmm mmm mmm
Mmm mmm mmm
Mmm mmm mmm mmm mmm

Music starts playin' like the end of a sad movie,
It's the kinda ending you don't really wanna see.
Cause it's tragedy and it'll only bring you down,
Now I don't know what to be without you around.

And we know it's never simple, never easy.
Never a clean break, no one here to save me.
You're the only thing I know like the back of my hand,

And I can't breathe without you
But I have to.
Breathe without you
But I have to.

Never wanted this, never wanna see you hurt.
Every little bump in the road I tried to swerve.
People are people, and sometimes it doesn't work out,
Nothing we say is gonna save us from the fall out.

And we know it's never simple, never easy.
Never a clean break, no one here to save me.
You're the only thing I know like the back of my hand,

And I can't breathe without you
But I have to.
Breathe without you
But I have to.

It's two A.M.
Feelin' like I just lost a friend.

Hope you know it's not easy, easy for me.

It's two A.M.

Feelin' like I just lost a friend.

Hope you know this ain't easy, easy for me.

And we know it's never simple, never easy.

Never a clean break, no one here to save me.

Ohhh

And I can't breathe without you

But I have to.

Breathe without you

But I have to.

Breathe without you

But I have to.

I'm sorry (oh)

I'm sorry (mmm)

I'm sorry (eh eh)

I'm sorry (mmm)

I'm sorry (eh eh)

I'm sorry (mmm)

I'm sorry
