

# No Greater Love

## Makeda

For the city, for the world we pray  
Let Your light shine down  
Come around and live in us  
For the close and the far away  
Everywhere You are  
Everywhere  
And we lift high the banner of the cross  
There is no greater love than this, no love but this  
Jesus Christ laid down His life for us  
There is no greater love than His, no love but His  
To the city, to the world we go  
Set us free, heal the land  
You have promised, God, You can  
To the last and the least we go  
Everywhere You are  
Everywhere  
And we lift high the banner of the cross  
There is no greater love than this, no love but this  
Jesus Christ laid down His life for us  
There is no greater love than His, no love but His  
In the poor, in the broken  
In the crowded city streets  
In the towers, in the money  
In the strong and in the weak  
In the orphans and the widows  
In the churches and the bars  
You are everywhere  
God, You are everywhere  
And we lift high the banner of the cross  
There is no greater love than this, no love but this  
Jesus Christ laid down His life for us  
There is no greater love than His, no love but His
