You're a Disaster

Dragonette

You're a disaster
Does anything matter to you
Do you ever slow down
Touch your feet to the ground underneath
Faster and faster
Straight for disaster

You're a disaster
And it makes all the laughter look sad
So pull up your socks
Or crash into the rocks you're headed for
What are you after, if not disaster

Oh if your mind, oh if your mind
Needs so much alteration
You'd better find, you'd better find
Another medication
The one that you're usin' is bruisin' you
If you're fine, oh if you're fine
And I am just mistaken
You'll walk the line, you'll walk the line
You'll walk right off the deep end
And run into somethin' to ruin you

Yeah, the outlook is grim
And the shape that you're in is diminishing
How long can you last for, before disaster

Oh if your mind, oh if your mind
Needs so much alteration
You'd better find, you'd better find
Another medication
And if you're fine, oh if you fine
And I am just mistaken
You'll walk the line, you'll walk the line
You'll walk right off the deep end
And run into somethin' to ruin you

Oh if your mind, oh if your mind
Needs so much alteration

You'd better find, you'd better find
Another medication
And if you're fine, and if you're fine
And I am just mistaken
You'll walk the line, you'll walk the line
You'll walk right off the deep end
And run into somethin' to ruin you

Somethin' to ruin you
Somethin' to ruin you
