

Sleep (Ian Van Dahl mix)

Conjure One

I know it's late
I shouldn't call at this hour
But yet, my fate
I need lips to devourMy nervous system is shot alright
I won't sleep unless you
Sleep with me tonight
Deep with me tonightI know it's late
We've known each other a while
I can't wait
To see your twisted smileKindred spirit of candle light
I won't sleep unless you
Sleep with me tonight
Deep with me tonightAnd my thought to my saint
I'm so tired but I faint
Sleep with me tonight
Sleep with me tonightDrown out the machinery in my head
Bring your peace of mind to my bed
Without sleep there are no dreams
Without dreams, we fall apart at the seamsKindred spirit of candle light
I won't sleep unless you
Sleep with me tonight
Deep with me tonightAnd my thought to my saint
I'm so tired but I faintSleep with me tonight
Sleep with me tonight
Sleep with me
Sleep with me tonight
Sleep with me
Sleep with me tonight
Sleep with me
Sleep with me tonight
Sleep with me tonight
Sleep with me tonightSleep
