

Nightshift

The Perms

Marvin, he was a friend of mine
And he could sing a song
His heart in every line
Marvin, sang of the joy and pain
He opened up our minds
And I still can hear him say Aw, talk to me
So you can see what's going on
Say you will sing your songs
Forevermore, evermore Gonna be some sweet sounds coming down on the nightshift
I bet you're singing proud, I bet you'll pull a crowd
Gonna be a long night, it's gonna be all right on the nightshift
You found another home, I know you're not alone on the nightshift
You found another home, I know you're not alone on the nightshift Jackie, hey what you doing now
It seems like yesterday
When we were working out
Jackie, you set the world on fire
You came and gifted us
Your love it lifted us, higher and higher Keep it up
And we'll be there at your side
Say you will sing your songs
Forevermore, evermore Gonna be some sweet sounds coming down on the nightshift
I bet you're singing proud, I bet you'll pull a crowd
Gonna be a long night, it's gonna be all right on the nightshift
You found another home, I know you're not alone on the nightshift Gonna be some sweet sounds coming down
on the nightshift
I bet you're singing proud, I bet you'll pull a crowd
Gonna be a long night, it's gonna be all right on the nightshift
You found another home, I know you're not alone on the nightshift Gonna miss your sweet voice, that soulful
voice
On the nightshift, we all remember you
The songs are coming through at the end of a long day
It's gonna be okay on the nightshift
You found another home, I know you're not alone on the nightshift
