Yeah, I got all my moros up in here tonight  
Gon celebrate, a brother is getting married, that's tight  
I just got off work and I'm ready to eat  
Aint dressed nice Guess it's the thought that counts, kid  
Now pass that chicken with zitoun, eggs and djuzz  
Fresh bread for me, fresh bread for you  
Followed by the tea with na3na3 and suga Shout out to the mothers  
Who are behind this dinner, lets go Lalla jibi lbalgha l moulay sultan  
Mamma oujdi djellaba ou selham  
Lalla serjou aoudi ou aatiouni lejam  
Mamma laarfa laaba ou lbaroud kheddami Lalla saadi tayehni felli nebghi  
Rani khayef nrouh ma nouelli  
Lalla zahri tayehni fi bent enness  
Mamma dertha fi galbi warda fi lkass We got all my moros in here  
And well be ready to eat right  
Put your hands up way high  
Now wheres the bread at? We got all my moros in here  
And we be ready to eat right  
Put your hands up way high  
Now wheres the bread at? Corazones palpitando esta noche estamos congregados  
Esta noche estamos celebrando esta fiesta  
Mgica, potica, el pacto eterno respeto a la vida le da Apartir de ahora, Comienza otra vereda  
Lecciones de otro tipo, besos sin fronteras  
Las miradas de cario, pegadas al cielo ya se pueden quedar  
Ya ests tienen quien les tienda la mano al pasar Lalla jibi lbalgha l moulay sultan  
Mamma oujdi djellaba ou selham  
Lalla serjou aoudi ou aatiouni lejam  
Mamma laarfa laaba ou lbaroud kheddami Lalla saadi tayehni felli nebghi  
Rani khayef nrouh ma nouelli  
Lalla zahri tayehni fi bent enness  
Mamma dertha fi galbi warda fi lkass We got all my moros in here  
And well be ready to eat right

Put your hands up way high  
Now wheres the bread at?We got all my moros in here  
And we be ready to eat right  
Put your hands up way high  
Now wheres the bread at?1 for the, 2 for the, 3 for the  
The weddings over  
We got one thing to go  
Everyone, jump in your carsHit the road, bride  
And groom in front, 20 cars behind  
Aint gon overtake us, man, take you time  
Windows down music highDisturbing the night  
All the cars got emergency lights  
Even the police aint givin us trouble  
We started out 20 and now the number is doubledWe got all my moros in here  
And well be ready to eat right  
Put your hands up way high  
Now wheres the bread at?We got all my moros in here  
And we be ready to eat right  
Put your hands up way high  
Now wheres the bread at?
