Weekend

QUARTERBACKS

i feel best
when i am
driving eighty
headed downstate to
your house davidwe'll wake up late
we'll listen to tapes
maybe grab some bagels
go to a show and afterwards
record some demos
whenever i feel
kind of tired
all i have to do
is call elaizajust hearing her voice
makes me feel better
i just wish we could
always be togetherbut we can't
that's why i need
these weekends away
to see the people
i should see every dayi kind of hate the town
where i live
but as soon as i leave
i start to miss it
that's why you gotta
come and visit
next time
you need a weekend away
you got a spot
where you can stay
