

Nebakanezer

The Black Crowes

Nebuchadnezzar never knew
He left his needle outside in the rain
And it rusted through
He had twenty-nine blackbirds
But only one flew
Spent most of his time making holes
And licking his wounds
Nebuchadnezzar lost his wife
She took her diamond rings and was
Gone before the light
She left one satin shoe and a
Very dull knife
She left one satin shoe and a very dull knife

So tell us what the sorry singer
Might do
All of his friends complain
That they got the flu
They ain't sick in the head
They look like the living dead
And that's not cool
