

The Evil That Men Do

Iron Maiden

Love is a razor and I walked the line
On that silver blade, slept in the dust with his daughter
Her eyes red with the slaughter of innocence
But I will pray for her, I will call her name out loud
I would bleed for her, if only I could see her now
Living on a razor's edge, balancing on a ledge
Living on a razor's edge, balancing on a ledge
Balancing on a ledge, living on a razor's edge
Balancing on a ledge, yeah you don't see it
The evil that men do lives on and on
The evil that men do lives on and on
The evil that men do lives on and on
The evil that men do lives on and on
Circle of fire my baptism of joy and at an end it seems
The seventh lamb slain, the book of life opens before me
But I will pray for you and some day I may return
I would bleed for her, if I could only make you learn
Living on a razor's edge, balancing on a ledge
Living on a razor's edge, you don't see, see it, don't you?
The evil that men do lives on and on
The evil that men do lives on and on
The evil that men do lives on and on
The evil that men do lives on and on, yeah
Go, go
Living on a razor's edge, balancing on a ledge
Living on a razors edge, you know, you know
The evil that men do lives on and on
The evil that men do lives on and on, yeah
The evil that men do lives on and on
The evil that men do lives on and on, yeah
The evil, the evil
The evil that men do
The evil
The evil that men do
