

# What Do You Wanna Know

## NLX

if I could be different  
I guess you might have liked me well,  
its too bad, its about to get ugly,  
see I'm a one gun army  
got a mouth peice on me,  
if you think I'm charming you,  
you dont know me at all,  
is what you said,  
words play in my head,  
words keeping me down  
even when your not around,  
I know where you've been,  
your intensitys thin,  
so is she.

what do you wanna know?  
if I gave you all I had would it be enough?  
you say you dont need,  
I know you really do,  
you keep on reaching out I keep on slipping through.

What do you wanna know?  
If I gave you everything would you be polite,  
hold me real tight,  
your renegade style,  
bonafide smile aint doing it,  
you just aint doing it for me.  
Am I the only one?

your house or mine, baby hurry decide,  
it was all about the time we were buried alive,  
you asked me forever,  
you change like the weather,  
I thought you knew me better then; them,  
reluctant leaders and bottom feeders,  
had the girl the world you know you,  
you didnt treat her very well,  
kept her in a box,  
four walls aint enough and neither is she;

what do you wanna know?  
if I gave you all I had would it be enough?  
you say you dont need,  
I know you really do,  
you keep on reaching out I keep on slipping through.

What do you wanna know?  
If I gave you everything would you be polite, hold me real tight,  
your renegade style,  
bonafide smile  
aint doing it, you just aint doing it for me.  
Am I the only one?  
who knows how it feels?  
tonight....

Let go  
If I left you in the past,  
would you want me more?  
see me better then before?  
I know where you've been  
Intensity is thin and so are we  
What do you wanna know?  
If I gave you everything would it change your mind  
your renegade style,  
bonafide smile  
aint doing it,  
you just aint doing it for me
