She Loves Me

Joe Diffie

She's more than I could ever ask for
More than I deserve
Why am I the lucky one
Who means the world to her
She's the best of everything
Sometimes, I think it's all a dream
But she loves me
It's like my heart just can't believe
And she loves me
She could have most anyone she pleased
But she loves me
She's the one who takes my hand
And takes my breath away
Takes me where I want to go
And where I want to stay
She turns to me and says my name

And I feel things I can't explain
'Cause she loves me
It's like my heart just can't believe
That she loves me
She could have most anyone she pleased
But she loves me
She's the best of everything
Sometimes, I think it's all a dream
'Cause she loves me
It's like my heart just can't believe
And she loves me
She could have most anyone she pleased
But she loves me
She loves me
