

# Bible Black

[Phil Manzanera](#)

The starless light  
Is bible black  
I turn right back  
And heed along the lineThe air is cold  
The climate damp  
My footsteps crush  
The leaves beneath my feetIn the breeze  
And time lies heavy  
On my thoughtsThe night skies clear  
I look right up  
And stare into  
The neverendingThe neverending  
It goes on and on  
And on and on and on  
It goes on and on  
And on and on and on
