Smooth Operator

Smooth Jazz All Stars

He's laughing with another girl
And playing with another heart
Placing high stakes, making hearts ache
He's loved in seven languages
Jewel box life diamond nights and ruby lights, high in the sky
Heaven help him, when he falls
Diamond life, lover boy
He move in space with minimum waste and maximum joy
City lights and business nights
When you require streetcar desire for higher heightsNo place for beginners or sensitive hearts
When sentiment is left to chance
No place to be ending but somewhere to start
No need to ask
He's a smooth operator
Smooth operator, smooth operator
Smooth operatorCoast to coast, LA to Chicago, western male
Across the north and south, to Key Largo, love for saleFace to face, each classic case
We shadow box and double cross
Yet need the chaseA license to love, insurance to hold
Melts all your memories and change into gold
His eyes are like angels but his heart is coldNo need to ask
He's a smooth operator
Smooth operator, smooth operator
Smooth operator
Coast to coast, LA to Chicago, western male
Across the north and south, to Key Largo, love for saleSmooth operator, smooth operator
Smooth operator, smooth operator
Smooth operator, smooth operator
Smooth operator, smooth operator
Smooth operator, smooth operator
