How Could You Say You Love Me

Sarah Geronimo

You say, that you've always been true
Lookin' in your eyes, I see you lie
You're trying hard to hide that
There someone new you found and,
You want me to believe that you still careRefrain
How can you hurt me this way
Everything I knew was lovin' you
How could you try pretending
Your love was never ending
Now you can't even say that you will stayChorus
How, how could you say you love me
When you would go and leave me
How could you make me hurt so bad
When I have loved you more than anyone can do
Can't believe the pain
That I'm feeling now because of lovingRefrain
Chorus
Bridge
I can't seem to understand
How can love me so unkind
Still you broke my heart
Despite what I've doneChorus
