## Wyclef Jean

Refugee public, Akon, and on and on  
All hands on deck Can I go in for a minute?  
Cause there's no limit to the Cash Money Hip Hop game Things done changed but they stay the same  
I see molly is the new cocaine  
I see them rappers with them big gold chains  
Remind me of the Slick Rick rings  
And Rakim was the microphone fiend  
And Bobby Brown was the RnB king  
Yeah, now every rapper wanna bang  
What happen to the days we were all in the same gang?  
Missy and Timbaland, original dubstep  
And Bambaataa had our future on tape deck  
Man, my daughter is seven I had to put her in check  
And let her know that K.R.S.  
Is more than letters in the alphabets  
She's Will.I.Am'ing with her mommy  
She's like: "Dad, let me teach you how to dougie"  
Things done changed but they stay the same  
I'm bumping Nas in the Range down memory lane  
Talib, Mos Def, PE bought them lectures  
My first music video Rakim, I was the extra  
Run DMC ran rap, now run's a preacher  
And we all are poor righteous teachers  
Krush grooving, body moving  
Rhazel, Doug E. Fresh, Biz Mark had me beat boxin  
And Kim, Foxy and Eve are all warriors  
Ya MC Lytes, ya not B's, yall Queen Latifah's  
Looks... pretty Nicki's in Ibiza  
And every fella had a crush on Salt N Peppa  
She so Naughty By Nature, Long.Live.A\$AP  
Written on a Wolf Gang back pack  
Things done changed but they stay the same  
I see molly is the new cocaine  
Yeah I see the rappers man poppin' champagne  
Them Beasty Boys that Rick Rubin  
And Big L was the lyrical king, and Bobby Brown was the rnb king  
And we all wanted to be Russell Simmons  
What happened to the day when we were all in the same gang? Yeah my young cousins rock Chief Keef tattoos  
They say Easy E, what an attitude

I'm talking Cypress Hill, I'm talking Ice Cube  
I'm talking Ice-T, Dr Dre, Snoop  
Bone Thugs-n-Harmony, Crucial conflict  
Twista, Tech N9ne, flipped it this way  
I'm talking from back in the day in the bay  
Keak Da Sneak and the homie Mack Dre  
They should have made a hip-hop dictionary written by E-40  
Red & Meth, Keith Murray, Kanye, Trick Daddy, Too \$hort  
Flo ridin' with a Pitbull, Miami going crazy  
Bambi, Pimp C, UGK, Master P  
Had me listening to the south in a new way  
And I miss Outkast like people miss the Fugees  
And there's a Birdman watching over New Orleans  
And Scarface never seen a thug cry  
Till he seen his Dogg Nate singin' hooks from the sky  
Things done changed but they stay the same  
I see molly is the new cocaine  
I see them rappers with the big gold chains  
LL Cool J Ja, Irv, Murder Inc Fat Joe, Big Pun, Cuban Link  
We all wanted 5 mics in The Source magazine  
French Montana at the Red Caf    
Wiz Khalifa rol the paper up 'we're all in the same gang'  
When I hear Waka, I hear ODB slang  
I'm talking Wu Tang, Raekwon, 2Chainz  
EPMD remind me of them Coke boys  
And Joey Bada\$\$'s, Uncle Murda, boys  
Grandmaster Flash red alert, I'm talking Kool Herc  
Jazzy Jeff, Fresh Prince brought it to suburbs  
And hip hop will never be the same  
Since Eminem lost Proof and Heavy's out the game  
We still immortal with the technique, making good music  
But the tables ain't been the same since Jam Master used it  
And Common used to love her and her 2Live Crew  
Cause she stuck to her roots and let the DJ Screw  
From Busta, Jay, Meek Mills to Tip to Quik  
Kendrick Lamar, Luda, Ross, Wayne and Drake  
50, Future & Game, Tribe Quest, Wale  
And if we miss you, Puff Daddy do the remix  
Things done changed but they stay the same  
I see molly is the new cocaine  
A new jesus piece with Chris Lighty's name  
Biggy and Pac, East and West Coast kids  
Mary J Blige, RnB queen  
G-Unit, Ruff Ryders, Mobb Deep, DMX  
Lox, Dipset, and we all in same game  
Lyor Cohen
