

# Sick Hearts

## The Used

Call this a mask, call me strong  
Call me a mask, call me wrong  
'Cause sick hearts do fine  
With wasting their time, get it Pick up two words on the spot for the moment  
Acting like it's what you meant to say  
Calling to angels, [Incomprehensible]  
And you don't believe they exist anyway I'd rather shut my eyes Call this a mask, call me strong  
Call me a mask, call me wrong  
'Cause sick hearts do fine  
With wasting their time Wasting their time, wasting their time Acting my head like the weight of the world  
And it seems I forgot how to smile  
Leaving friends with the devil, it's dangerous, sad  
That I don't really have many crimes I'd rather shut my eyes Call this a mask, call me strong  
Call me a mask, call me wrong  
'Cause sick hearts do fine  
With wasting their time Call me a point that I've learned  
Call me the bird or the worm  
'Cause sick hearts do fine  
With wasting their There's so much left to see  
But I'd rather shut my eyes  
I don't know what's going over me  
But I'd rather shut my eyes There's so much that I could see  
But I'd rather shut my eyes  
I'd rather shut my eyes  
I'd rather shut my eyes Call this a mask, call me strong  
Call me a mask, call me wrong  
'Cause sick hearts do fine  
With wasting their time Call me a point that I've learned  
Call me the bird or the worm  
'Cause sick hearts do fine  
With wasting their time  
With wasting their time
