Keep A Knockin'

Suzi Quatro

Keep a knockin' but you can't come in

Keep a knockin' but you can't come in

Keep a knockin' but you can't come in

Come back tomorrow night and try it againYou said, you love me and you can't come in

You said, you love me and you can't come in

You said, you love me and you can't come in

Come back tomorrow night and try it againKeep a knockin' but you can't come in

Keep a knockin' but you can't come in

Keep a knockin' but you can't come in

Come back tomorrow night and try it againYou said, you love me and you can't come in

You said, you love me and you can't come in

You said, you love me and you can't come in

Come back tomorrow night and try it againKeep a knockin' but you can't come in

Keep a knockin' but you can't come in

Keep a knockin' but you can't come in

Come back tomorrow night and try it againYou said, you love me and you can't come in

You said, you love me and you can't come in

You said, you love me and you can't come in

Come back tomorrow night and try it again
