

# Sunshine (feat. Dan Harkna)

## Tieks

(Intro Repeat x 4) You're sunshine  
You're sunshine  
You're sunshine  
Shining down on me (Chorus) You're so ever so high  
You fill my heart with a joy  
You are everything now that I've found you  
I just want you to know  
There's nothing I wouldn't do  
You are everything now that I've found you Oh you ohhh (x2) My precious remedy  
Take all my pain away  
I feel this chemistry lovin' on you  
You've switched my world around  
I feel this way  
My feet don't touch the ground lovin' on you (Repeat Chorus) (Repeat Intro x 2) I just feel this way  
When you're around  
Hoping that you feel the same  
Feels so good to be the one whose holding you  
Oh you're my sunshine (Repeat Intro x4) (Repeat Chorus)
