Advisory - the following lyrics contain explicit language:

hello hello hello hello
hello hello Hello Hello
Hello Hello Hello Hello
Hello Hello Where is your next show?
In Honolulu.
Where is your next show?
In Honolulu.
Where is your next show?
In Honolulu.
Do we get to go there for free?
Oh yes we do, but not with you!
(REPEAT)
Oh Everett true, where are you?!
Who is gonna put in our tape-deck
Who is gonna carry the bass-amp
Who is gonna buy us a van?
It could be you, it could come true..Oh.
