DJ Got Us Fallin' in Love

Karmin

Usher (yeah man)

So we back in the club

With our bodies rockin' from side to side (side to side)

Thank God the week is done

I feel like a zombie gone back to life (back to life)

Hands up, and suddenly we all got our hands up

No control of my body

Ain't I seen you before?

I think I remember those eyes, eyes, eyes, eyes

(Chorus)

Cause baby tonight, the DJ got us falling in love again

Yeah, baby tonight, the DJ got us falling in love again

So dance, dance, like it's the last, last night of your life, life

Gonna get you right

Cause baby tonight, the DJ got us falling in love again

Keep downing drinks like there's

Not tomorrow, there's just right now, now, now, now, now, now

Gonna set the roof on fire

Gonna burn this mother fucker down, down, down, down, down, down

Hands up, when the music drops

We both put our hands up

Put your hands on my body

Swear I seen you before

I think I remember those eyes, eyes, eyes, eyes

(Chorus)

Cause baby tonight, the DJ got us falling in love again

Yeah, baby tonight, the DJ got us falling in love again

So dance, dance, like it's the last, last night of your life, life

Gonna get you right

Cause baby tonight, the DJ got us falling in love again

[PITBULL]Hear no evil

Speak no evil

See no evil

Get it baby

Hope you catch that like T.O.

That's how we roll,

My life's just a movie.

And you just TIVO,

Mami got me twisted like a dread lock,
She don't wrestle but I got her in a headlock,
Yabba dabba doo make a bedrock,
Mami on fire (psssh) red hot, Bada bing bada
boom, Mr. Worldwide as I step in the room, Imma
hustler baby, but that you knew, Tonight is just
me and you, dale
(Chorus)

Cause baby tonight, the DJ got us falling in love again Yeah, baby tonight, the DJ got us falling in love Fallin' in love!

So dance, dance, like it's the last, last night of your life, life Gonna get you right

Cause baby tonight, the DJ got us falling in love again Yeah, baby tonight, the DJ got us falling in love again So dance, dance, like it's the last, last night of your life, life Gonna get you right

Cause baby tonight, the DJ got us falling in love again Yeah, thank you DJ!
