

Break the Curse

Andrew W.K.

Look who put a curse on you again
Look who put a curse on you
A curse so bad it cursed me, tooLook who put a curse on you
Look who put a curse on you
Again
Woah-oh-ohLook who played a trick on you again
Look who played a trick on you
A trick so good it tricked me, tooLook who played a trick on you
Look who played a trick on you
Again
Woah-oh-oh
Look who pulled a scam on you again
Look who pulled a scam on you
A scam so sweet it scammed me, tooLook who pulled a scam on you
Look who pulled a scam on you
Again
Woah-oh-ohNo
No
Break the curse
Break the curseNo
No
Break the curse
Break the curse
No
No
Break the curse
Break the curse
