Video Game Heart

All Girl Summer Fun Band

These streets are too straight for your video game heart.
So why don't you just break some hearts.
Yeah, this world is too straight for your video game heart.
So why don't you just break some hearts.
I'm waiting for you to call.
I'm waiting for you to come over.
I'm waiting to fall for you.
So you can just fall for her.
Oh don't you know that it breaks my heart in two,
each time I hear you're thinking of me.
And when it seems like you don't really care,
Somehow it makes me think I love you.
