

# Lost

## Ash

I feel like a superstar.  
I feel like I'm super far away from where I'm supposed to be.  
But I know I'm not lost.  
I feel like I'm on the moon  
Yea I feel, like the month of june came in the heart of winter, but I swear I'm not lost.  
'Cause I'm right where I'm supposed to be, and that's right here with you.  
Oh I feel, like the smell of flowers.  
I feel, like the world is ours, long as we, are together  
Oh I feel, like I'm kissing heaven in heels, like my wishes all became real, you see, so I know I'm not lost.  
Don't tell me what I'm risking, cause I just paid the cost.  
And I think, it will be worth it  
Yes it'll be worth it oh  
It'll be worth it  
Yes it'll be worth it  
Yea it'll be worth it  
Oh it'll be worth it  
Yea it'll be worth it  
Mm it'll be worth it  
Yea it'll be worth it  
Yes it'll be worth it  
Oh it'll be worth it  
Oh it'll be worth it
