

# Distant Sures

## The Cave Singers

Oh airborne eyes  
Yeah, will see black storms  
If the summer is gone  
Let it slide bySo let's take tonight  
Ooh my little one  
If the captain is right  
Then we shall be goneLost in the rhythm cause the rhythm is wild  
Lost in the rhythm cause the prison is sad  
Gonna need to reach her like the foot of the world  
Where the Earth will end and the wild subsideUntil she's goneOh hey, to be alive  
Mmm, still need these bones  
See the summer is yawning  
Yeah, the crowd's gone in drovesSo let's take tonight  
Ooh dark little one  
A strong stove in the past  
Will keep our kettles warmLost in the rhythm cause the rhythm is wild  
Lost in the rhythm cause the prison is wide  
Gonna need to reach her like the foot of the world  
Where her heart begins and the wild subsideUntil it's gone  
Until it's gone  
Until she's gone  
(And on and on)
