

# Come Out Fighting (Album Version)

## Pennywise

Voices, you're letting voices tell you what to do  
When you yourself don't know  
Voices, you got one too  
So let it out and let us know when you're feeling all alone Well I know  
There are times when you're feeling close to the ground  
And there's times when  
You may feel there's no place to call home  
And there's times when  
A best friend can seem so far away  
And there's times when  
The only end in sight is the end, you got to Come out fighting  
Come out fighting  
Come out fighting Don't let it get you down  
Problems, I've got 'em too  
But keeping them inside is not the thing to do  
Problems, you've got to face hang-ups  
Head-on before you know they're hangin' you [Pre-Chorus]  
[Chorus x3] All alone, yes all alone  
Loneliness, ain't it something we all know  
All alone, yes all alone  
Been there before so please believe me 'cause I know Sorry to say, to your dismay  
Your life is not the only one that you affect  
Don't you realize that a part of all of us  
Will die inside when you yourself are dead [Pre-Chorus]  
[Chorus x4] Warning you [x3]
