Miracles

[Dave Gahan](#)

I don't believe in miracles
And they happen everyday
I don't believe in Jesus
But I'm praying anywayI want to accept the truth
I really do, I believe
Just afraid of losing youI read it in the paper
And I've watched them on TV
I've seen it in the movies
They say the truth will set you freeI want to accept the truth
I really do, I believe
I'm just afraid of losing you
