

# Desire Into Gold

## New Medicine

I clear my mind, no second guessing  
I'm 'bout to teach all my critics a lesson  
class is in session, here comes the truth  
Don't you know this is the one thing I was born to do?  
I worked my whole life for this moment  
You know I bleed it; I'm 'bout to own it  
and there ain't no chance this is slipping away, 'cause right here right now this is judgement day-Chorus:-  
'Cause I'm a gladiator, a warrior, I am fearless to the bone  
I'm a fighter, a soldier, turn my desire into gold-  
Now I'm staring down the barrel of a gun, take my shot while I'm young  
I can taste it on the tip of my tongue  
you know I eat it, breath it, and I believe it..and when I lay my head down I even dream it.  
I taught my mind how to push through the pain; can't stop no way this shit is in my DNA  
False prophets preach that I'm not good enough  
they try and knock me down, but I get right back up.-Chorus-  
turn my desire into gold  
-  
I find strength, I dig deeper  
I dig deeper, I'm a believer  
I find strength, I dig deeper  
I dig deeper, I'm a believer
