

# Unloveable

## The Smiths

I know Im unloveable, you dont have to tell me  
I dont have much in my life, take it, its yours  
I dont have much in my life, take it, its yours I know Im unloveable, you dont have to tell me  
Message received loud and clear, loud and clear  
I dont have much in my life, take it, its yours I know Im unloveable, you dont have to tell me  
For message received loud and clear  
Loud and clear message received  
I dont have much in my life but take it, its yours I wear black on the outside  
Cause black is how I feel on the inside  
I wear black on the outside  
Cause black is how I feel on the inside And if I seem a little strange  
Well, thats because I am  
And I seem a little strange  
Well, thats because I am But I know that you would like me  
If only you could see me  
If only you could meet me I dont have much in my life but take it, its yours  
I dont have much in my life but take it, its yours
