Puff Daddy & The Family

Money Makin Mitch is this fairy tale, you know, about this fly nigga from Harlem that came up, and he did his thing man
He was shinin' on em, stylin' on em, showin' em how to do it, showin' em how to get it
Maybe he was getting it the wrong way, but you know, the fairy tale of it, is most brothers and sisters end up dead or in jail
But check this out with this fairy tale I created in my brain.
Imagine this Mitch nigga survived
Took those different talents and attributes and business skills and applied it to the world of business
Man the game, the legal game
So this is the fairy tale man, and fairy tales do come true
Cuz we got millions of cats that comin' up with that hustler spirit and drive
They got that Mitch in them
And they ain't gon fall to the wayside, they gon' take their street smarts, and run the world
Cause the black man is god
And No Way Out 2, that's how Imma leave it on you, peace
