Free Indeed

Point of Grace

Can you think of the way that we used to be
We were young, full of hopes and full of dreams
Look around what has happened in between
Living life can steal your hope away it seemsDream again
Oh, you're like a child who's waiting to become[Chorus]
The Son has come to free us
Set your eyes on Jesus
Your free now
Know that you are free indeed
To love, to live, to dream
To love as He has loved you
To live like He's among you
To dream now
Know that you are free indeedWhen your world is a dark and lonely place
Turn your eyes from yourself and seek His face
There's hope in His open arms
And a peace that's gonna free your heart and mindBreathe again
Oh, you're free to fly and young to run[Repeat Chorus]But for me to live is Christ
That would be no sacrifice
I freely give Him all my life[Repeat Chorus]
