

# Sailing on the Seven Seas

## Orchestral Manoeuvres in the Dark

You say that love will capture me  
But not unless you give it free  
We're sailing on the seven seas  
Sister Ray is on TV  
The light of love that shines so bright  
That the F.B.I won't sleep tonight Because I'm so in awe of you  
That I don't know what to do  
And I'm sailing on the seven seas so blue Sick and tired and I don't know why  
Skin and bone won't touch the sky  
Sex and lies can't bring me down  
Because I've sold my soul all over town Because I'm so in awe of you  
That I don't know what to do  
And I'm sailing on the seven seas so blue People try and drag us down  
So we learn to swim before we drown Because I'm so in awe of you  
That I don't know what to do  
And I'm sailing on the seven seas so blue And I'm so in awe of you  
That I don't know what to do  
And I'm sailing on  
The seven seas so blue
