

Emancipate

Ashes of Soma

I can feel the sun beat down,
Heat up on my face,
Time is all but gone,
My life has seen some better days. Lives all raise in hell, my god,
What have I become?
I need you to run...I'll tear this apart,
Tear this apart...
(I'm feeling like it's over,
Living life inside a cage)I'll tear this apart,
Tear this apart...
(Show me all my pain,
It doesn't matter anyway)Wake the walls around me,
It's just harder than it seems,
Everyone's against me,
I'm the one that shouldn't feel. Friends are now just strangers,
Now I'm the enemy,
It's easy to see...I'll tear this apart,
Tear this apart...
(I'm feeling like it's over,
Living life inside a cage)I'll tear this apart,
Tear this apart...
(I'm counting on my fate,
It doesn't matter anyway)I'll tear this apart,
Tear this apart...
(I'm feeling like it's over,
Living life inside a cage)I'll tear this up,
Tear this up...
(Counting down the days,
You'll never see me anyway)
