Give In To Me

Three Days Grace

She always takes it with a heart of stone
Cause all she does is throw it back at me
I?ve spent a lifetime looking for someone
Don?t try to understand me
Simply do the things I say
Love is a feeling
Give me when I wanted
Cause I?m on fire
Quench my desire
Give me when I want it
Talk to me woman
Give in to me
Give in to me
You always knew just how to make me cry
And never did I ask you questions why
It seems you get your kicks from hurting me
Don?t try to understand me
Cause your words just aren't enough
Love is a feeling
Quench my desire
Give me when I want it
Taking me higher
Love is a woman
I don?t wanna hear it

Give in to me
Give in to me
You and your friends were laughing at me in town
But it's okay, it's okay
You won?t be laughing girl when I?m not around
I?ll be okay, I?m gonna find some peace of mind
(Give in to me)
(Give in to me)
Love is a feeling
Give me when I want it
Cause I?m on fire
Quench my desire
Give me when I want it
Talk to me woman

Give in to me
Give in to me
Love is a feeling
Taking me higher
You?re the one I want it
Cause I?m on fire
Talk to me woman
Give me when I want it
Give in to me
Give in to me
