

Everything's Got 'Em

Harry Nilsson

This is the town and these are the people
This is the town where the people all stay
This is the town and these are the people
That's the way they wanted it
That's the way it's going to stay Everything's got 'em
Everything needs one
Wouldn't be without one
Everything has one This is the town and these are the people
This is the town where the people all stay
That's the way they wanted it
That's the way it's going to stay
