

# The Saddest Song

Ataris

Only two more days until your birthday  
Yesterday was mine  
You'll be turning five, I know what it's like  
Growing up without your father in your life  
So I pretend, I'm doing all I can  
And hope someday you'll find it in your heart  
To understand why I'm not around  
And forgive me for not being in your life  
I remember waiting for you to come  
Remember waiting for you to call  
Remember waiting there to find nothing at all  
I remember waiting  
(Waiting for you to come)  
I remember waiting  
(Waiting for you to call)  
Waiting there to find nothing at all  
Maybe someday you'll really get to know me  
Not just the letters read to you  
I pray I get the chance to make it up to you  
We've gotta lot of catchin' up to do  
So I pretend, I'm doin' all I can  
And I hope someday you'll find it in your heart  
To understand why I'm not around  
And forgive me for not being in your life  
I remember waiting for you to come  
I remember waiting for you to call  
Remember waiting there to find nothing at all  
I remember waiting  
(Waiting for you to come)  
I remember waiting  
(Waiting for you to call)  
Waiting there to find nothing at all  
I remember waiting  
(Waiting for you to come, waiting for you to come)  
I remember  
(Waiting for you to come)  
Forgive me  
(Waiting for you to come)  
I'm so sorry

I will make it up to you
