

# Brutal Warning

## Exciter

A cross is held with rage and fury  
Silence, betrayal by masters of war  
Escape the realms of marching rulers

Be strong and brave; a time of reason  
Brutal Warning - Brutal Warning

Brutal Warning - Brutal Warning  
Brutal Warning - Brutal Warning

Brutal Warning - Brutal Warning  
A storm of violence awaits to strike

Merchants are calling to return the fight  
Remember each dagger is held in mourning

But wait! Stand tall and face the call  
Brutal Warning - Brutal Warning

Brutal Warning - Brutal Warning  
Brutal Warning - Brutal Warning

Brutal Warning - Brutal Warning (SOLO)  
A cross is held with rage and fury  
Silence, betrayal by masters of war  
Escape the realms of marching rulers

Be strong and brave; a time of reason  
Brutal Warning - Brutal Warning

Brutal Warning - Brutal Warning  
Brutal Warning - Brutal Warning  
Brutal Warning - Brutal Warning
