

Bar Hoppin

Dedicated Servers

(GUITARS & HARP INTRO)

I'm goin' out bar hoppin'

Yeah be-boppin'

There won't be no stoppin' me tonight

I'm goin' mini-skirtin'

I might go wet-t-shirtin'

Won't be no final curtain

'Til the broad of daylight You can call me a hard hat, wild cat

I don't know, I may be like that

A redneck, a bad check

But I don't care what you expect

'cause I work hard everyday

And I'm gonna spend every dollar I make

And when the sun goes down, I'll be gone I'm goin' out bar hoppin'

Yeah be-boppin'

There won't be no stoppin' me tonight

I'm goin' mini-skirtin'

I might go wet-t-shirtin'

Won't be no final curtain

'Til the broad of daylight

(SLIDE & HARP SOLOS)

(whooo, I love ya man) I run that ol' drag line, rain or shine

All day long I hear the diesel whine

There's so much smoke, it makes me choke

It ain't fun, that's no joke

Whistle blows, I punch that clock

The good Lord knows, it's time to rock

And when the sun goes down, I'll be gone And I'm goin' out bar hoppin'

Yeah be-boppin'

There won't be no stoppin' me tonight

I'm goin' mini-skirtin'

Might go wet-t-shirtin'

Won't be no final curtain

'Til the broad daylight C'mon lets go bar hoppin'

Yeah be-boppin'

There won't be no stopping us tonight

Hey let's go bar hoppin'

'Til the broad of daylight
