

Raised in the 90s (Radio Edit)

Majestic

Born in the 80â€™s
Raised in the 90â€™s
Skanking out in my Nikeyâ€™s
Old school music in my head
Looking back from A to Z

Ey, letâ€™s go back in the day,
Talking Arich jackets and Armarni shades
Bacardi Breezer, Becks and the geezers
Ben Sherman shirt but blacked-out Filas
See me in the rave, Nike and my cap
CD UK, Craig David and that
Them days there we were doing it again
Dream team live in the mix and what about
EZ DJ live in the place
Baby Ericsson essential headcase
E17, are you from the ends?
If weâ€™re talking nineties, what about Friends?
Friday nights lay soft then Fraser
Before I ever was a fabric raver
Girls looking good in Gucci loafers
Gameboys, Gremlins, Gordon the Gopher

Born in the 80â€™s
Raised in the 90â€™s
Skanking out in my Nikeyâ€™s
Old school music in my head
Looking back from A to Z

Hoodies with a Hooch and a Helly Hansen
Harry Enfield hack it for the mandem
I was in my Iceberg with my ice jems
ITN was the news back then
Justin Case still played on loop
My Evisu jeans probably stank of joop!
Kickers on my feet, kicker on my head
Before Majestic I was plain old Kev,
With a little bit of luck and a little love bug
Lonyo went in with the Summer of Love

Mission FM and off-key Moschinâ€™s
See Mighty Moe and Norris the Boss
 Bass off Nokia 5110
 Nickelson Polo with Nike TMâ€™s
 Oxide on the remix of â€œOh No!â€•
 On my TV, Otis and O-zone

 Born in the 80â€™s
 Raised in the 90â€™s
 Skanking out in my Nikeyâ€™s
 Old school music in my head
 Looking back from A to Z

Pay-as-you-go, Battle Pushers and Pogs
Watching Power Rangers with a Push Pop
I used to go Quasar, munched on Quavers
Watched the Queens nose, played Quake
 Thatâ€™s major
Reebokâ€™s, rewind, Round the twist
RochÃ© skates were the ting as a kid
 So Solid Crew, Sega, Snares
Saved by the Bell, yeah thatâ€™s enough said
 Top of the Pops, Turtles and Togs
 Thunder Captain, Tandy shops
Uncle Buck, Undertaker in The Ring
 UKG made everyone sing
 My VHS and VCR
 Versace jeans, VKâ€™s at the bar
 WWF, WW dot, WKDs from a local shop
X-men and x files, your XR2 would go for miles
 YSL shirt or a YSL polo
School lunch times, I would master the yo-yo
After school, yeah I would watch Zzzap
 Got into rap â€œcause of Zig and Zag
 Back then when man was a boy
Thatâ€™s my A to Z about my moments of joy

 Born in the 80â€™s
 Raised in the 90â€™s
 Skanking out in my Nikeyâ€™s
 Old school music in my head
 Looking back from A to Z

 Born in the 80â€™s
 Raised in the 90â€™s

Skanking out in my Nikeyâ€™s
Old school music in my head
Looking back from A to Z
