

Wicked Twisted Road (Reprise)

Reckless Kelly

My first love was a wicked twisted road
I hit the million mile mark at seventeen years old
I never saw the rainbow much less a pot of gold
Yeah, my first love was a wicked twisted road My first love was a castle in the sky
Never thought I'd make it 'til I had the guts to try
And I sat up in my tower while the whole world passed me by
Yeah, my first love was a castle in the sky My first love was a fearless drive in rain
Scared to death I thought I'd never see her face again
They say God was crying so I guess he felt my pain
My first love was a fearless drive in rain My first love was a wild sinful night
I ran out with the big dogs, guess I had more bark than bite
And though I won the battle, in the end I lost the fight
Yeah, my first love was a wild sinful night My first love was an angry, painful song
I wanted one so bad, I went and did everything wrong
A lesson in reality would come before too long
Yeah, my first love was an angry, painful song My first love was a wicked twisted road
I hit the million mile mark at seventeen years old
I never saw the rainbow much less a pot of gold
Yeah, my first love was a wicked twisted road My first love was a wicked twisted road
