

Wake Up My Love

Claude Challe

Here I go again

Hear that knockin', won't you let me in?

Only want that same old thing

Yet it's me here ring, ring, ringI want your love, wake up my love and let it inWell, you know it's me out here

Can't give up now, let us make that clear

All I've had's the run around

Though I'm barking like some houndI want your love, wake up my love and let it in

I want your love, wake up my love and let it inMy life's been so many ways

Too much darkness gets me crazed

All around us people fight

Christ, I'm looking for some lightInside your love, wake up my love and let it inI don't have no friends of mine

Who can swing me down that vine

Not much sense in what I do

That is why I'm calling youInside my love, wake up my love and let it in

I want your love, wake up my love and let it in

I want your love, wake up my love and let it in
