

# God Is Smiling

## Delirious?

Open up the gates of love

Turn the tide and stop the flood

You've got my heart now, got my soulSo who is my neighbor, where's the love  
That speaks for those our world has lost?

It's every heart now, every soulWe are one when our beating hearts belong  
And our love can be the revolution

Seize Your kingdom come, yeahGod is smiling over us tonight  
God is smiling over us tonight

Where hearts are broken love unites

God is smilingSo we must cross the great divide  
Of color, creed of wealth and pride

Break our hearts and save us allSo can we sing a brand new song?  
Where former enemies belong

It's every heart now, every soulWe are one when our bleeding hearts belong  
And our love can be the revolution

Seize Your kingdom come, yeahGod is smiling over us tonight  
God is smiling over us tonight

Where hearts are broken love unites

God is smiling, God is smiling over us tonightBecause You are the center  
You are the center

You are the centerGod is smiling over us tonight  
God is smiling over us tonight
