Till There Was You

The Beatles

There were bells on a hill
But I never heard them ringing
No I never heard them at all
Till there was you

There were birds in the sky
But I never saw them winging
No I never saw them at all
Till there was you

Then there was music and wonderful roses

They tell me in sweet fragrant meadows of dawn and dew

There was love all around But I never heard it singing No I never heard it at all Till there was you

Then there was music and wonderful roses

They tell me in sweet fragrant meadows of dawn and dew

There was love all around But I never heard it singing No I never heard it at all Till there was you

Till there was you
