

Jupiter's Lament (Barbershop Version)

Smashing Pumpkins

Gone, long gone
Blink and I'll be gone, gone, gone
Leave this world of wrong, wrong, wrong
Leave it far behind And although my secret's gone
I'll try to carry on
If I must, I'll get along
Without you Gone, long gone
Leave this world of wrong, wrong, wrong
Beyond the pale, beyond the dawn
Flee these mortal bonds No one knows I can't be wrong
Still I sing the same old songs
I tried to be strong
For you Why have you left me
Amongst the tall trees?
I know I gave her all I had And I tied her heart in ribbons
Tied her heart in ribbons
Tied her heart in ribbons and bows And I'm gone, oh yes, I'm gone
And I'm lost without you
I'm lost within you
And I'm gone, so gone
Long gone
