

Ride The River

Eric Clapton

Floatin' down that old river, boy
All my worries far behind
Floatin' down that old river, boy
Leave old memories way behind Yesterday is slowly fadin'
All my life I've been waitin'
For this time Floatin' down that old river, boy
Leaves me feelin' good inside
Floatin' down that old river, boy
Tryin' to get to the other side Yesterday is slowly fadin'
I've been waitin' now forever
For this ride Ride the river in this boat, ride the river
Ride the river in this boat, ride the river
Ride the river in this boat, ride the river
Ride the river in this boat, ride the river Floatin' down that old river, boy
All my worries far behind
Floatin' down that old river, boy
Leave old memories way behind Yesterday is slowly fadin'
I've been waitin' now forever
For this ride Ride the river in this boat, ride the river
Ride the river in this boat, ride the river
Ride the river in this boat, ride the river
Ride the river in this boat, ride the river Ride the river in this boat, ride the river
Ride the river in this boat, ride the river
Ride the river in this boat, ride the river
Ride the river in this boat, ride the river
