

I'm Still Here

Kula Shaker

I was sure I heard you singin'
While my head was broken up
While my world in flames was rearranged
Oh, I, I'm still hereIn a blazin' forest fire
In a web of my own desires
In a place that we are destined to returnOn an ocean I can't fathom
In a truth I can't unravel
Oh, I'm still here
Oh, I'm still here
I'm still here
