TYAF

Nick Hakim

It's been twenty some odd years
Since you brought me here
You brought me here
You brought me hereYou are my creator
You gave me life
You gave me water
You gave me life
You could take it if you want toYou brought me here, you could take me out
What are you waiting for?
What are you waiting for?It's been twenty some odd years
Since you brought me here
Since you brought me here
